

# CVSI Cloud Hosted-Digital Signage

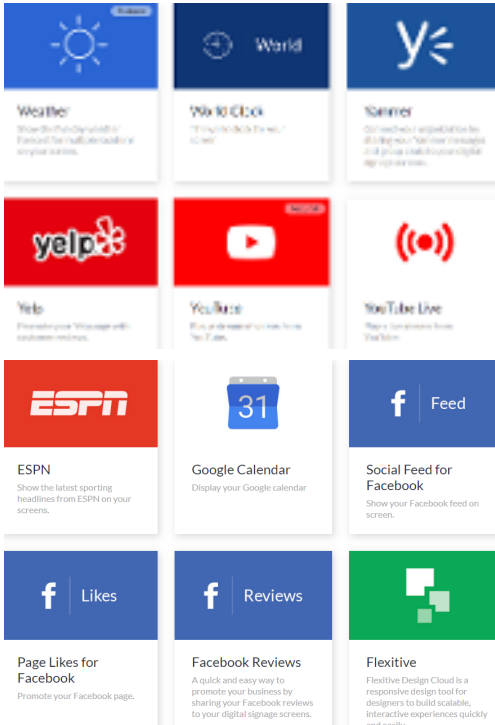

## Simple Digital Signage for any Screen.

The CVSI cloud-hosted digital signage solution gives users all the tools and abilities to create, communicate and transform their spaces with connected digital signage. Easy to setup, digital signage provides full customizable messages and content. Include images, video and even streaming content; digital signage offers users complete control over what viewers see at anytime a day. Digital Signage provides many different services such as way-finding, marketing, advertising and even calendar sharing. With CVSI's digital signage solution reach the right people with the right message.
